

Corvallis Multicultural Literacy Center (CMLC) is a self-sustaining community-based learning center where individuals and families of all cultures come together to share, mentor, and understand cultural literacies, to access resources, and to build a cohesive community in a safe, welcoming environment.

CMLC is a place where people of all cultures can gather in a living room for learning, where all people can be teachers and learners; where sharing cultures enables everyone to take part in the community.

## Partnerships and Collaborations

Community partnerships and collaborations are an integral part of our commitment to offering a wide variety of programs, events and resources to the community.

### On any given day at CMLC...

... you might hear a multitude of languages being spoken.

... you might see someone teaching a traditional craft from their country.

... you might smell a traditional or ethnic meal being cooked in the kitchen.

## Educational Resources

Bring our resources to you! CMLC has created “portable museums” that will enhance and complement your curricula. Each kit features a theme (i.e. Silk Road, Global Tea Exploration, Africa, Japan and many more).

The kits are comprehensive, conveyable totes which include multicultural items such as textiles, books, maps, timelines, musical instruments as well as ideas for interactive, hands-on learning activities and games using the items featured.

The kits are free, available for checkout, can be tailored to your curriculum or event or they can include items chosen from the center by you.

We welcome collaboration and input from educators!

CMLC is a great place for field trips. Explore the world right here in Corvallis. Learn about new cultures through organized scavenger hunts, experience hands-on multicultural learning through games and activities specifically designed for students.

## Volunteer

There are a variety of volunteer opportunities at Corvallis Multicultural Literacy Center (CMLC). Join our volunteer staff, help with our existing programs and events, or come up with new ideas for the center! It is a great opportunity to get to know people in the community and can also be a chance to develop new skills. We would greatly appreciate your help.

*Just contact the center to get involved!*

## Donate

The center survives only through donations of time, energy, creativity, expertise, materials, and money. There are many ways to give to the center.

In-kind donations – cultural items, sharing stories, conversations, time, giving a cooking class or anything that would contribute to the vitality of the center – are appreciated.

## Grants and Support

We are especially grateful to the following organizations for their support and/or provision of grant funds:

United Way  
OSU Folk Club Thrift Store  
Benton County Foundation  
Corvallis Kiwanis Foundation  
City of Corvallis  
Economic Development  
Benton County Cultural Coalition
